

SILVERLAKE
DORSET

Take to the lakes with your very own boat store

With so many lake and land-based activities, owning a boat or canoe store offers you the chance to safely store your equipment, ensuring it is ready for an adventure holiday from the moment you arrive.

Many homeowners have used their imagination and created a wonderful space to enjoy while on the Estate, from artist studios, games rooms and family snugs, to unique recreational spaces.

Boat stores offer homeowners the ideal storage solution to store belongings when using our Habitat Escapes rental service; giving maximum convenience for the homeowner and keeping the holiday home uncluttered. A canoe store can also be converted to a double store, providing more space.

Free paddleboard with all purchases of boat or canoe stores

Get in touch with our property team to explore the opportunity of owning and tranforming a boat or canoe store.
