

# CHRISTMAS KITS

**Let Hurricane Terrace take the work out of Christmas Dinner for you this year, by collecting ready to roast vegetables and fabulous quality meat on Christmas Eve.**

All of our meat is sourced locally, with as few miles travelled as possible to ensure a stress-free life for the animal and a fantastic product.

The locally sourced trimmings include braised red cabbage, steamed potatoes ready to roast with thyme, rosemary and garlic, steamed carrot and parsnips, ready to roast, prepared Brussels sprouts and Yorkshire puddings that just need warming through.

To order, please complete the form below and email it to [msiadataan@habitatfirstgroup.com](mailto:msiadataan@habitatfirstgroup.com) by Friday 18th December to avoid disappointment. Upon receipt of your order, a member of our team will call you to confirm and take payment.

All orders will be available for collection from Hurricane Terrace on Thursday 24th December.
